

DON'T BUY ON CREDIT! DON'T PAY CASH AT CREDIT STORES!

Why? Because it's an extravagant way of supplying your needs. Buy for cash at a cash store and share in the saving which we make by operating our store on this plan. We don't ask you to take our word for it that it pays to buy for cash. Take our prices and compare them with the prices you pay at credit stores. Then come to the store and compare our goods with those offered elsewhere at similar or higher prices. No doubt about your decision. We know it will be in our favor.

In Memoriam.

Frankie May Lockwood, beloved wife of Howard S. Lockwood and loving daughter of A. F. and Hulda Reece, was born in Andrew county, Missouri, May 9, 1875, and departed this life, after a few weeks of patient suffering, at her late residence in this city, April 16, 1900, at 3 o'clock p. m. Age 24 years, 11 months and 7 days.

She was the youngest child of her father's family and moved with them from Missouri to Kansas when she was about 11 years old. From thence she came with them to Nebraska in 1889 and settled in Cherry county. Was united in marriage to her now bereft husband October 30, 1892. In this happy union were born four children, all of whom are living.

In the spring of 1896 she was converted and united with the M. E. Church, in which relation she was an earnest, devoted Christian worker and led an upright, exemplary life. A year ago in May she came with her husband and children to Valentine, where they have since resided. On the 18th of December last she was received by letter into the M. E. Church of this place.

In the home she was kind and affectionate, true and loving as a companion and mother, and by her womanly traits and genial bearings in the communities where she lived, won for herself the esteem and good will of all who knew her.

During her sickness she was kind and patient amid it all, seemingly, as if waiting to hear the welcome words from the Master, saying, "Come ye blessed of my Father," and she was not for God took her.

She leaves a husband, four children, a mother, three brothers and three sisters to mourn her departure.

The funeral services took place from the M. E. Church in the midst of a large concourse of sympathizing people. The remains were escorted to the church by the Modern Woodmen of America, Royal Neighbors and the Epworth League, beside many of the county officials. The services were in charge of the pastor, assisted by Rev. Oastler of the Presbyterian Church. The sermon was preached from I. John 3:2, after which the body was laid to its quiet rest in the cemetery west of town.

The husband, children and relatives have the tender sympathy of the entire community in the hour of their sore trial and bereavement.

"But she has crossed the river,
She is with the angels now,
She has laid aside earth's crosses,
And the Crown is on her brow;
She is clothed in clean white linen,
And she walks the streets of gold."
A. F. CUMBO.

News From Gordon

Jefferson Winslow last week sold his ranch near Irwin, to Frank Breese, and will probably move to town in a month or two and become a full fledged citizen of Gordon.

We understand that Stetter Bros. of Valentine have leased the building occupied by M. W. King's flour and feed store and will open up in the saloon business in Gordon about May 1.

Miss Wren Donohoe who has been homesteading in this locality for two weeks or more, came up from her ranch last Monday and is visiting with friends in Gordon.

Cash Parker has sold his dray business to Geo. Borders and has decided to quit the town in a few weeks. He has purchased a farm from his father down in Greeley county, about forty miles north of Grand Island, and will try raising corn and hogs.—Gordon Journal.

Miss Okie Haas, of Ainsworth, is working for the editor's family. Lyon will probably now remark that "Bro. Good Haas a girl who is O. K."

A. H. Ferguson died at the home of his daughter, Mrs. John O'Hearn, in Elkhart, Indiana, on the 12th inst., of dropsy. Deceased was well known here, having worked for Whillans as a harness maker, and was a member of the local lodge of Odd Fellows. Prior to the illness which resulted in his death he was employed by the Indiana Carriage Factory.

Wilson J. Teeters and Katie Hearon, two of Cherry county's popular young people living near Newton, came to town yesterday morning and prevailed upon Judge Towne to speak the words which unite them for life. Both bride and groom are good looking and hard working young folks and we predict nothing but happiness as the result of their marriage.

Skimming Station Opening.

On completion of the organization of the Valentine Dairymen's Association, formed for the purpose of supplying cream for the skimming station, it was decided to celebrate the opening by inviting the farmers and ranchmen from all parts of the county to be present and participate. The Beatrice Creamery Co. will be represented by experts on the subject, who will address the people, and I am also endeavoring to get G. W. Hervey, agricultural editor of the World-Herald, who has recently made an investigation of the stations along the line of the Burlington road and whose remarks will no doubt be very interesting. Local speakers will also be invited to participate.

Exercises will begin at the Court House about 11 a. m., at which place luncheon will be had at noon, after which exercises will be continued. Those coming are requested to bring along luncheon, but coffee, tea, etc., will be supplied by the town.

The exact date cannot be given as yet, but opening day will be near the 27th inst., more definite information as to date being given later.

All farmers, ranchmen or others, no matter what their calling, who have or think they may have interest in the subject, are requested to be present, with their families and baskets, since the subject, while a new one in this vicinity, might be found one of interest to all. C. H. CORNELL, Committee.

Do not leave home on a journey without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed and cannot be procured while you are on board the cars or steamship. It is pleasant, safe and reliable. For sale by Quigley & Chapman. 1

Bro. Bob Good, of the Valentine News, in his announcement last week that the town would have saloons for at least two years hence, got his head lines a trifle mixed and over this announcement appeared the heading, "Skimming Station." If n's were substituted for m's in the above heading, it would not be so bad after all.—Gordon Journal.
